SELF-DEFENSE
For Children and Teens, Ages 5-15

We are pleased to offer this program for young people designed FOR SELF DEFENSE ONLY!

THE PROGRAM PROMOTES:

- *SELF-CONFIDENCE
- *COMPETITIVE SPIRIT
- *PHYSICAL FITNESS
- *SELF DISCIPLINE

STUDENTS ARE INSTRUCTED IN:

- *SAFETY AWARENESS
- *DEFENSE AGAINST ATTACK
- *GETTING RELEASED FROM A KIDNAPPER
- *STREET SMARTS

SELF-DEFENSE, rather than aggressiveness, IS PROMOTED!

Coaches are certified instructors. Emphasis is placed on the learning of verbal and physical skills for self-defense. We complete each class with safety awareness information regarding the lures strangers use on unsuspecting, unaware children and teens. Students learn in a fun, active environment. Students will have the opportunity to progress to a new belt level each semester. (A belt-advancement fee, not included in class fees, would be due.) Students who come to all classes receive a perfect attendance award!

You may pay in advance or class by class. Registration is \$8.00. Classes are \$9.00 per class. Classes for beginners through Sr. Green belts are held on MONDAYS in 40 minute sessions between 5:30-6:10PM; Purple Belts and above, will attend 6:10-6:50PM. If interested in this program, do not return the form to your school, but complete and bring this entire form, plus the \$17.00 (registration/1st class fee) to:
