## School Corporation

### LETTER FROM THE SUPERINTENDENT

The calendar says summer, but here at Lafayette School Corp., plans are firmly underway for the 2023-24 school year. That's because for us, the mission of educating your children is not merely a nine-month commitment – we are constantly working to improve our schools, to find what teaching methods and learning opportunities work best to meet the needs of every child.

In this newsletter, you'll find information about registration for the upcoming school year. If your children are returning to LSC, you can update their registration information through PowerSchool. If your child is new to LSC, you'll find information on when you may visit your child's school for in-person registration. The first day of school is Thursday, Aug. 10 (Friday, July 28 for Oakland Elementary).

Here at LSC, we believe in educating every child to the best of his or her ability. We have programs that meet all families' needs – from Oakland Elementary with its balanced calendar, high-ability classes at Edgelea, and a plethora of offerings at our intermediate, middle and high schools, we offer educational opportunities that meet a wide variety of learners and learning styles. We embody the words of our mission statement: to nurture, inspire and empower – all students, all the time.

Whether you're a parent, a guardian, or another stakeholder in our public schools, I invite you into our school setting so you can see for yourself the quality programming within LSC. We hope that you will serve as ambassadors, working to build the trust and support of the community. Join us and share our values of success, culture, diversity, innovation, engagement and respect.

Sincerely,  
*Les L. Huddle*  
Les L. Huddle, Superintendent

## #BRONCHOPRIDE DAY

What better way to be true to your school than to show your #BronchoPride? That's what Broncho Corporation did Wednesday, May 10, with a districtwide initiative to flood social media with stories of what makes LSC such a great place to learn.

Students in Melanie Gilbert's Principles of Marketing class at Jefferson High School helped lead the campaign, guiding the LSC Communications Team in which social media platforms are most likely to attract followers, what types of posts are most effective, and language that will offer the best engagement. They designed logos and helped interview teachers and students, creating testimonials in photo and video.

And the #BronchoPride hashtag went viral! We shared posts from current and past teachers, from current students and alumni. Posts came from families with multiple generations of Bronchos and from families with future Bronchos. Stories were shared by people who live in Lafayette and from people who have moved to both coasts of the United States but still stay connected to their time in LSC.

LSC works hard to not merely teach core subjects, but to educate the whole child. Instilling pride in our students and making them feel as if they part of the Broncho Nation, part of a larger family, connects them to something larger than themselves. This helps foster learning and engagement, leading them to be more successful. #BronchoPride was one day set aside to celebrate that relationship, encouraging a sense of excellence to which all students can aspire.

"Being a Broncho isn't just a term for our family," shared JHS FACS teacher S.J. Houston in a Facebook post. "We live it every day. The amount of opportunities Lafayette School Corporation has provided our family is unmatched. Most days we spend more time at Jeff for various activities than we do at home; it's truly our home away from home. We are so proud to wear red and black and represent this school and this amazing corporation." #BronchoPride

## 2022-23 DISTINGUISHED EDUCATORS

<b>Heather Lerma-Keltner</b>	Special Education, Jefferson High School
<b>Jesse King</b>	Science, Oakland Academy
<b>Debbie Miteff</b>	Paraprofessional, Linnwood

## REGISTRATION 2023-24

As one school year winds down, the new one is just around the corner. **All returning students need to complete an updated registration.** The online registration can be accessed beginning **Monday, July 17**, through the LSC PowerSchool Parent Portal or by scanning the QR code below.

Families of new students will need to visit their school for on-site registration.

### Online Registration

Opens July 17

### On-site Registration

Noon-7 p.m. Thursday, July 27  
9 a.m.-4 p.m. Friday, July 28

### Oakland Elementary

9 a.m.-4 p.m. Tuesday, July 18  
Noon-7 p.m. Wednesday, July 19

Parents of returning students having difficulty accessing the online registration Parent Portal may also attend on-site registration for additional help.

Every returning student needs to have a new registration form completed. The process is quick, and the majority of the registration process is confirming information that is already in the system. It is especially important that we have updated contact information for all our students. Registering returning students in advance also helps our schools adjust for class size fluctuations and minimizes disruptive changes to schedules once the school year begins. Thank you in advance to all our LSC families for taking the time to complete these registrations in July.
