News from the Nurse:

Please be sure our school has your current cell, home, work, and emergency contact numbers. With the flu season here, we want to make certain we can reach you should your child become ill or injured.

Reminders:

- Please establish how your child is to get home from school regularly. If this changes, the teacher will need a written note from the parent.
- NO child will be released later that 2:00 p.m. from the office due to the established dismissal procedures. If you have an appointment, please plan accordingly.

Test-Taking Tips for Parents

Make sure your child gets a good night's sleep and eats a healthy breakfast

Many teachers report that students who don't do well on tests haven't gotten enough sleep, and haven't eaten breakfast on the morning of the test. Doing both of these things will ensure that your child is working at full capacity (Narang, 2008).

Remain positive

Staying calm will help your child stay calm. If she gets nervous about the test or is likely to experience anxiety during the test, help her practice some relaxation techniques that she can try once she's taking the test (Narang, 2008).

Other helpful tips

- Ensuring that your child has good attendance at school
- Assisting your child with homework and ensuring that your child is completing all homework assignments
- Staying in communication with your child's teacher
- Encouraging your child to read as much as possible, and to increase her vocabulary - even reading magazines, newspapers, and comic books regularly will help improve her reading skills
- Looking for educational games and programs that engage your child
- Helping your child learn how to follow directions carefully (Dietel, 2008; IRA (2002); Narang, 2008).

Kindergarten Roundup: It's time to think about pre-registering children for kindergarten for the 2016-2017 school year. Attend Kindergarten Roundup at the school your child will be attending. Parents will receive information on preparing their child for kindergarten-ten. Kindergarten Roundup is **Tuesday, March 15, 2016 from 4:00-7:00 p.m.** Please bring the following items: child's birth certificate, child's most current immunization record and proof of residence (lease, bill, etc. with parent name and address). Students must be 5 years old by August 1, 2016 to enter kindergarten for the 2016-2017 school year. This round up is a preregistration process. Parents will need to register their child in July for the 2016-2017 school year.

Raider Rally

Each month Glen Acres has a Raider Rally. During this celebration, we bring the entire school together. We recognize exceptional behavior in and outside of the classroom. Students are able to work together as a class to earn the....

Mrs. Culbreth's Class ~ "Golden Spatula" - Outstanding behavior and cleanliness in the cafeteria

Mrs. Steven's Class ~ Golden Plunger - Outstanding cleanliness in their classroom

Students are also able to earn tickets throughout the month. Tickets are drawn for small prizes every Friday. Then all the tickets that weren't drawn are added together and drawn for larger prizes each month at the Raider Rally. This month students were able to earn sidewalk chalk, hula hoops, and a skateboard.

To finish up the Raider Rally, each teacher nominates an "Outstanding Student" from their class. These students get a certificate from Subway and their picture is placed on the bulletin board outside the office.
